KY. STATE DEFEATS ILLINOIS.

DO IT AGAIN!

Kentucky State arrived at Urbana on a special sleeper Friday morning, and after two hard work-outs in the morning and afternoon, Coach Sweetland took his team to the theater in order to get the minds of the players off of the gridiron struggle of Saturday on Illinois Field.

The game was called Saturday at 3 o'clock, Kentucky winning the toss. Illinois kicked off to Kentucky at three two; Dunlap received the ball and ran it back to Kentucky's 40-yard line. Shanklin punted over the goal line. Illinois elected to scrimmage; they gained their distance, but never after that was Kentucky's goal in danger. Brilliant work in Kentucky's line prevented the Illini from gaining ground through either the tackles or guards of the Bluegrass boys.

Illinois seeing that Kentucky's line was invincible, resorted to the forward pass. Two of these worked, but Kentucky broke them up from that time on. Kentucky held Illinois for downs on Illinois 40-yard line. Two bucks through the line gained the necessary ten yards. Rodes was given the ball, and after a hard trip through the majority of Illinois players, broke away and made the first touchdown. Barbee kicked the goal. Time, nine minutes and 35 seconds. During the last minutes of the first half Kentucky's line prevented the Illinois from gaining ground through either the tackles or guards of the Bluegrass boys.

The second half opened with Kentucky as fresh as they were when the game began. Illinois came back fighting desperately. They tried triple forward passes, on-side kicks, line bucks, and in fact everything known to football. Kentucky State seemed to anticipate all of these plays. A safety was made after five minutes of play, counting two points for Illinois.

The play for the remaining ten minutes was in Illinois territory. When time was called at the end of the second half, Kentucky had the ball on the Illinois three yard line.

It would be a difficult matter to pick out any individual player who starred in the game. Shanklin was a

surprise in the punting department, out-punting his opponent fully 20 yards. Threlkeld was a star at full-back, and gained easily through the Gal. THREE—IDEA Carlisle Illinois line. Barbee and Rodes played their usual snappy game. Johnston at quarter ran the team like a general, and soon found the weak spots. Campbell and Ellis, although they were in new positions, repeatedly stopped plays through their parts of the line. Dunlap and Early played like veterans, and no ground was gained over them. Dick Webb was always on the ball, and kept his opponent guessing all the time. Shanklin and Plummer played against ends that greatly outweighed them and broke up any number of forward passes.

A great number of telegrams were received by the team from the different classes and others who were thinking of the team.

TEAM ESCORTED TO TRAIN.

On last Thursday at 5 o'clock the entire student body met in front of the Main Building to escort the Varsity team to the depot. A wagonette decorated with bunting and flags and having a long rope attached to the tongue, was prepared for the team.

The Freshman class, on account of their recent victory, were allowed the honor of pulling this "barge of our hopes" to the train. The line formed in a short time, the band leading, playing, "Hail! Hail! Dixie," etc. The team came next behind the Freshmen. The Seniors followed the wagonette; the Juniors came after the Seniors; the Sophomores next, and the stray Preps, etc., brought up the rear. The procession started at 5:15 down Limestone, to Main; up Main to Broadway; up Broadway to the Q. & C. depot. All the yells and songs were gone over during the march and at the depot the cheer leader mounted the roof, and the student body which filled the platform of the depot overflowing, gave cheers for the Coach, the manager, the captain, and every member of the squad. The special coach was pulled up to the rear of the train, and the team entered it. The crowd then formed a line, and passing by the car windows shook hands with all the team and gave words of encouragement and good will. The car was covered with Kentucky stickers and pennants, and at 6:10 started for Cincinnati, carrying with it all our hopes and prayers.

We have defeated Illinois, thus planting "one foot north of the Ohio River," which remains to be moved, if any one can. The logical place for the other foot is several hundred miles South of the Mason and Dixon line. IS IT TO GO THERE? If we defeat Tennessee by a large enough score, this will go a long way toward taking the step. Tennessee has the dope on us. Central tied Tennessee on Tennessee's own field, while Central defeated Berea 62 to 0. We defeated Berea. But what of dope? We have more than dope,—we have the coach, and O! what a coach! We cannot praise him too much; we can never show our appreciation; we can only feel the blood tingle in our veins; we can only think of all that is great when his name is mentioned, and we who cannot play football can do the least by doing our best to help "Hang it on Tennessee" Saturday next.

The air is still,—quiet reigns. The peaceful and dreamy silence pervades all. The sun sinks to rest behind the fleecy outlined horizon, in the warm glow of tinted clouds. All is peace.

But now a slight whisper, faint and far away, is heard. Louder, Louder, it becomes. It multiplies, echoes, and re-echoes. Now it is heard from all sides. Clanging, crashing, sounding and re-sounding in its deafening peal. It is Victory! Victory Triumphant! It penetrates to all points; it is flung back from the pinnacles of the highest mountains, back from the depths of the deepest valleys. Victory! Victory! Victory!!

NEW EDUCATIONAL DEAN.

Dr. Louis F. Snow, new Dean of the Educational Department, was born in Providence, R. I., in 1862; was educa-

ted at Brown University, securing A. B. in 1889. He was a graduate student in Harvard Graduate School in 1890, getting the A. M. degree. From 1890 to '92 instructor in Elocution at Brown, and from 1892 to 1900 Dean of the Woman's College in the same University. He secured a Ph. D. after three years of graduate work at Columbia University. Special Agent for Nano N. Telephone Co., Newark, N. J., and head of the English Department of the Normal School, Cortland, N. Y. Dr. Snow is a member of the Sons of the American Revolution; Society of Colonial Wars; and of the Rhode Island Historical Society. He has published "The Education of David Hume" and "The Curriculum of the College of the United States."

Dr. Snow comes well prepared for his work and is planning to arrange Graduate work for the near future. He is aggressive in his work and very popular among the students of his department; and being an experienced teacher himself he is better enabled to train others in the hardest of all arts—teaching.

INDUSTRIAL CHEMISTRY.

The Senior class in Industrial Chemistry reluctantly found time last Friday to leave their salubrious retreat to go on an inspection trip to the plant of the Indian Refining Co. at Georgetown, Ky. The party consisted of Dr. Daniels, Miss Katherine Schoene, and Messrs. Garmen, Rembold, Robertson and Strong.

At the Refinery, Mr. Thos. F. Ott, chief chemist for the company, and a graduate of State '07, acted as guide. He explained the process of refining the crude oil and various products such as gasoline, kerosene, lubricating oil, paraffin and coke. Another point of interest was the care taken by the company in freeing the waste water from oil before allowing it to flow into Elkhorn creek.

Mr. Guy Taylor is Chemist at the DuPont Powder Works, Wilmington, Del. We are expecting him to rise rapidly, if not in one way, then in another.

Mr. H. A. Davis, who is employed in the chemical laboratory of the Pennsylvania Railroad at Altoona, Pa., is expected here the latter part of this week to attend the football game.

Misses Kate and Mary Belle Pence, Alma Faulconer, Lilly Parks and Gretchen Hayden went to Frankfort Friday to attend the funeral services of Miss Lillian Shaw.

A rousing football rally will take place at the Gym Friday night at 7:30. The football authorities request authorities request every matriculate of the University to honor the occasion with their beaming countenances.

Prof. Darnaby, of Maxwell School, addressed the students of the Seminar last Thursday, his subject being "Relation between the Grammar School and the High School." He treated the subject well, pointing out many of the defects, as well as the strong points in our system. According to his statements, only about 50 per cent of the students who enter the first grade of the Grammar school reach the eighth; and what is more startling, just 17 per cent of the Freshman class of the High School graduate. He attributed these lamentable facts to the defects in the courses of study offered in these schools. He produced a strong argument in favor of a six-year course for the High School.

There are thirty students regularly matriculated in the four-year courses—two Seniors, eight Juniors, four Sophomores, and sixteen Freshmen. Quite a number of students from other departments are taking work here.

game of the season. He is not made of that kind of stuff.

Captain Baum, End Richards, Guard Butzer and Watson were the stars in Thursday afternoon's gruelling contest, the latter doing some excellent work in the booting line.

There is not much to fear from Chicago, said one man closely connected with the team. The boys are enthusiastic; those who support the team are equally as enthusiastic, and there never was a more confident bunch of players.

KENTUCKY STATE WILL BE THE NEXT VICTIM.

Kentucky State, the next team to encounter Hall's aggregation arrived in Urbana yesterday, twenty-one strong. They left Lexington yesterday morning in a special car, coming by way of Cincinnati. At the Columbia, where they put up, Coach Sweetland informed the Illini reporter sent to interview him, that he thought his proteges would give the Illini a rather hard tussle. The men average 160 pounds and are fast. They have an excellent drop-kicker, who is counted upon to score. E. T. Ingold, who closed negotiations with the blue blood management for the details of the game, says they are a likely looking bunch of men.

Last year Kentucky won four out of six games, as follows: Berea 17-0, University of Tennessee 7-0; Maryville 16-0, Suwanee 0-12, Rose 12-10, and Central 40-0. Their record has always been good. A tentative agreement was reached between Illinois and the visitors whereby the length of halves shall be 15 minutes with a possibility that they may be longer. The moonshine men have found it too warm this fall for much scrimmage and have passed it up altogether this week in preparation for the Illini.

Even though they insisted on fifteen minute halves they promised to give the 'Varsity a brisk practice game and from their appearance they are able to do so. Coach Sweetland, who did his best work in Cornell's line several years ago, has had everything but the weather helping him this fall. Seven men of last year's team returned and the new men are stars. The 'Varsity, however, hope to run up a bigger score than was done against Millikin. Coaches Hall and Lindgren had been expecting full half hour halves as a try-out for their men, and in order to give all the men a try-out the freshmen will be taken on after the Kentucky game, in two twenty-five minute halves. White has his team well in hand now and knows he can give the 'aVrsity a good work out any old time.

ILLINOIS-KENTUCKY GAME IN PROGRESS.

Opened on Illinois Field at Three
o'clock To-day.

The foot ball squad of Kentucky State University, consisting of twenty-one husky looking players and Coach Sweetland, arrived here yesterday and indulged in a light secret practice late in the afternoon. The men average 160 pounds and look as if they expected to put up a hard struggle against Hall's aggregation this afternoon. Negotiations regarding the length of the halves are practically at a standstill and just before the game this afternoon Kentucky still stuck to her decision to play only fifteen minute innings. One of the reasons for her stand is the fact that with the warm weather in the South it has been impossible to condition the men thoroughly, and that their coach does not believe them fit for a longer game.

The contest this afternoon began at 3 o'clock on Illinois Field. Cooler weather and more advanced condition of the Illini augured well for the success of the Orange and Blue, and it was generally expected that the local collegians would run up a bigger score than that in the Milliken game of last Saturday. Following the Kentucky game it was the intention of the coaches to use the Varsity eleven in two two 25-minute halves against the Freshmen.

Southerners Decide to Have Only
Fifteen-Minute Halves.

The Kentucky University foot ball team arrived at Urbana during the night in preparation for the game with Illinois to-morrow. The squad this evening will attend Walker opera house to see Al H. Nelson in "Metz in Ireland."

Head Coach Hall was planning on good long halves for this game, in order to let the 'Varsity get some grueling work, preparatory to the Chicago game. Director "G." Huff finally decided to send Graduate Manager Ernest Ingold to Lexington for a conference with the "Kaintucks," but they were set, and determined to either follow out the plan of fifteen minute halves or cancel the game, so Director Huff had to consent. That the team might get some more practice the Freshmen and 'Varsity will play a game on Illinois field as a preliminary to the Kentucky-Illini contest. It is thought by some that the youngsters can put up more of a fighting game than the "southern gemmans."

Predictions as to the outcome of the Chicago game from reliable sources are slow coming in. It was stated that Butzer, the star guard, would probably be absent from the Chicago game on account of injuries. It will take a mighty serious injury to keep a man of Butzer's enthusiasm and nerve out of the most important

TEAM RECEIVED.

When the team returned from their victorious trip on Sunday morning, they were confronted by a circle of students which filled the entire yard. The team was hustled into the center of the ring, and although it was Sunday, "S. U. K. Y." was given nine raps for every player, the manager, the coach, the "Colonel," and then the circle marched around the players, every student shaking hands with them as he passed.

The players were then escorted home, and although the weather was damp, every one was happy.

The Co-Ed Dance which was arranged for Friday night, has been postponed until the following Friday night.

Saturday night, Mary E. Taylor '13, Lexington; Elizabeth Cary '13, Versailles, and Mary Spencer '10, of Lexington, were initiated into the Chi Epsilon Chi.

Friday was "Pledge Day" at the University of Illinois, and our boys enjoyed the excitement of the day.

STUDENTS CELEBRATE.

Immediately after the receipt of the telegram announcing the victory of our team in Illinois, a strange body began to form. Every student in the dormitories, and nearly every other one gathered at the Gym with a night shirt over his clothes, and a handkerchief on his head. The procession started down town headed by a drum corps and a large banner bearing the words: "Illinois 2,—State 6," and proceeded to the Phoenix Hotel, where a snake dance was held, enlivened by many hideous shouts and yells. The line was then reformed,

and the body marched up Main to Broadway, and thence to Hagerman College, where it was intended to entertain the young ladies with a choice selection of yells. But upon arriving there it was discovered that some one was sick, so the crowd quieted down, and left in a very orderly manner. They then proceeded to old Hamilton, where the yells and songs were gone over.

The procession then wended its way to Sayre, where the same program was repeated; and then going back to the Phoenix the marchers were dismissed with the caution to be at the depot Sunday morning at 10 o'clock to meet the conquerors.

HANG IT ON TENNESSEE!

PRIZE OFFER.

The Idea is authorized to announce that the Alumni Association of State University offers a ten (\$10.00) dollar prize, each, for an accepted University song or yell. All students and friends of the University are invited to enter the contest. Address, J. D. Turner, Experiment Station, Lexington, Ky.

State University, now that she is coming to the front in athletics, is much in need of some first-class yells, some that may be adopted and that will be continued for years to come. All old institutions have yells that have been used for generations, and that have as much historical significance and tradition as anything else connected with them. Why can we not contribute as much to posterity? Geniuses, get busy; set your masterly pens a-pushing, and let us have the fruits—let us have them right now that they may be used at the Thanksgiving game.

LEARNED UP NORTH—ONE-ARM FOOTBALL PLAYERS.

Can a team of one-armed football players lick any gridiron team in the country?

Andy Ellett, crack halfback of the Cincinnati Gym team, thinks that a team of one-armed men can beat any-

thing that walks on the gridiron.

Ellett has had some experience in playing against one-armed football warriors. His latest was at Dayton, O., Sunday last, where he helped the Stumps-Tigers beat the crack Oakwoods 6 to 5. A one-armed man played fullback for the Oakwoods, and he was repeatedly called upon to buck the line. This fellow held the ball in his good arm and forced his way through with the stump of his other arm. Ellett says that every time that any one bumped into that stump he never forgot the occasion. Andy says it felt like some one handing out punches with a brick in his mitt.

Ellett was the target for most of the Oakwoods' attacks, and the big fellow with the abbreviated arm took much pleasure in jabbing that stump into Andy anatomy.

Every other member of the Stumps-Tigers will hereafter draw the line on one-armed fellows. They all felt the power of that stump, and all bear marks which were traced directly to the Oakwoods fullback.

Ellett has always beaten the Oakwood eleven ever since he played with that team five years ago, and Dayton football fans have never forgiven Ellett for being the means of beating them year after year. The spectators howl at Ellett as if he was a bum umpire, while the whole Oakwoods team directs its attack on Ellett. But it takes something more than a few injuries to keep the Gym crack from playing football.

THE BOYS GO BY.

Hats off!

Along the street there comes
 A blare of bugles, a ruffle of drums,
 A flash of color beneath the sky—

Hats off!

The boys are passing by.

White and white, and white alone,
 Over the street tipped orderly along,
 Hats off!

The boys before us fly,
 But more than the boys are passing by.

The squad went North to fight the great—
 Fought to save and saved Old State;
 Made a touchdown and then they skipped,
 With cheers of victory on parted lips.

Hats off!

Along the street there comes
 A blare of bugles, a ruffle of drums,
 And loyal hearts are beating high—

Hats off!

The boys are passing by.

A NEED.

A long-felt need in the University has been answered, yet it is needing. For many years the institution realized the need and kneaded the "dough" to that end. This need was the need of a library, and this need brought the need of "dough." And since the library has been built, the

need of "dough" is no longer needed. The need is now to need the library opened. We sincerely hope that this need to need the library opened will be answered by some one kneading to open the door.

FOOTBALL RALLY FRIDAY NIGHT

FACTS!—AREN'T THEY TRUE?

Never before in the history of the institution has College spirit so manifested itself as it has in the last week. What has been done to arouse this dormant spirit which has been asleep for lo! these many years? Who is it that has, by his great personality, aroused such great enthusiasm? The answer comes at once from the student body—"Sweetland!"

This no doubt is true, for one coming in personal contact with such a man learns to feel, to appreciate the importance of such a personality. He is developing a team that the University will be proud of, and one of which the State of Kentucky, yea even the whole South, will gladly boast; but to do this takes time, work, men and money. It takes time to get the men; it takes time to do the work and time to raise the money, but it should not take time to arouse the College spirit. This team may not be developed this year, but we must keep Sweetland in order that Old State shall rank first in the South, as is her right.

It costs nothing to show our College spirit, and after all it is the only true enjoyment that we get from College life—the only thing that we can, in after years, look back upon with pleasure. True College spirit will build up the University, while class spirit will only tend to bring about disorderly conduct and ill feeling among the student body, and ill feelings of the citizens toward the University.

Boys, let us show our loyalty to the University, and let the class loyalty be a secondary matter. We have a good coach, the best in America,—let us show our appreciation of him by giving him and the squad our support financially and enthusiastically. Let

us see that he will be here next year and let us, as members of the Athletic Association, recommend to the Executive Committee that Coach Sweetland is the man for us, and the man we are going to have.

SAD DEATH.

The students and faculty of State University were very much grieved to hear of the sad death of Miss Lillian Shaw, which occurred at the Good Samaritan Hospital, Wednesday, Oct. 6. Miss Shaw was graduated from this institution in '08. She was quite popular in college circles and leaves a host of friends. She was a member of the Alpha Gamma Delta Sorority and the Neville Literary Society.

AGRICULTURAL SOCIETY.

The Agricultural Society convened in regular session Friday night, Oct. 8th.

A splendid program was rendered, and speeches were made by T. R. Bryant from the Experiment Station, and T. do P. Posthuizen, a student in the College of Agriculture from South Africa.

A committee was appointed to select pins for the members. Each committeeman and each member was requested to bring a design for the pin, the one presenting the best design to be awarded a pin free.

The future prospects of the organization is very bright indeed, as the enrollment is double that of last year.

A Cadet Hop is to be given Saturday evening in honor of the Tennessee team. The Dance Committee extends a cordial welcome to all students. Come, and let us give them a genuine Kentucky welcome.

Friday night the Alpha Xi Delta Sorority held an initiation in their room at Patterson Hall. The following girls were initiated: Anna Louise Dean '12, Marion, Ky.; Addie Lee Dean '12, St. Louis, Mo.; and Lillian DeJarnette '13, of Paris, Ky.
